2336 Gales Way – Rodlun House

The Rodlun House was built circa 1889 and originally sat on 160 acres of farmland. The Rodlun House is a 2-story Stick Style House with several Eastlake decorative features. The house features a wraparound porch with turned posts, two sunburst pediments, decorative shingled on the front façade, decorative brackets and drop pendants on the bay and oriel windows and a corbeled cap interior chimney.
