# 2010 Annual Curbside Clean-Up Event

On their regular collection day,

**Monday, May 3, thru Friday, May 7,**  
residential solid waste customers within Forest Grove city limits in good standing may put out up to six (6) extra bags (32-gallon capacity) of garbage at no charge.

Items should follow the normal guidelines:

- ⇒ NO construction materials, sod, concrete, asphalt, bricks, rocks, dirt, or building materials.
- ⇒ NO hazardous waste; no wet kitchen waste.
- ⇒ Bags should be tied securely so contents do not spill.

The bags will be picked up by a separate truck so it may not coincide with the pickup of the roller cart(s).

On **Saturday, May 8**, from 9 a.m. to 2 p.m. the Forest Grove Transfer Station will be accepting Appliances or bulky waste (3 per customer) and tires (4 per customer) at no charge. Proof of address will be required.

**Any questions about curbside cleanup, please contact Waste Management at 503-249-8078.**

Sorry, **NO** televisions, computers, or hot tubs will be accepted. Oregon E-Cycles provides free recycling of computers, monitors and TVs. Find sites at [www.oregonecycles.org](http://www.oregonecycles.org).

On **Saturday, May 8**, from 9 a.m. to 1 p.m. the City will be offering **FREE** shredding services for citizens. Experts agree shredding is the best way to dispose of sensitive data so the City is partnering with Metro to bring this opportunity to residents. This onsite service will be located in the gravel parking lot between Council and Ash Streets and restricted to personal documents. Contact the Administrative Services Department at 503-992-3234 for more information.

Special Thanks to Waste Management for providing this public service clean-up event and to Metro Regional Government for providing funds to offset disposal fees.
