

RETIREMENT OF TWO DIRECTORS

The City will say good-bye to two long-time employees during March. Police Chief Glenn VanBlarcom retires March 3 and Fire Chief Bob Mills retires March 31. VanBlarcom and Mills have served for 35 years each for the City of Forest Grove.

Chief VanBlarcom was hired as a patrol officer and, throughout his public safety career, also served in the capacity of sergeant, lieutenant, captain, and chief.

Chief Mills began his service as a volunteer firefighter, working through the ranks, and was promoted to Chief in 2004.

Both Chiefs have been professionally and personally involved in the community. They will be recognized by the Council for their years of service, dedication and contribution to the City and Community. We wish them well in their retirement.
