

A place where businesses and families thrive.

Community Transit Service Questionnaire

Ride Connection and the City of Forest Grove have received funding to create a community transit service within the City of Forest Grove. This service would allow travel to destinations within Forest Grove and to TriMet bus line 57. Service will be available Monday through Friday. The type of service will be established with community input and support. We anticipate the service being developed with stops at key points in the community.

We are interested in hearing from you as we plan the new Forest Grove community transit service. The service is scheduled to start in September 2013. Your responses will be used in designing the routes and hours of operation.

The survey can be found online at:

<https://www.surveymonkey.com/s/ForestGroveTransit>

The survey should take less than 5 minutes to complete. We ask that you complete the survey by July 19.

If you wish to fill out a paper survey instead, please visit the City of Forest Grove's website for a pdf version: <http://www.forestgrove-or.gov> or obtain a copy by contacting Lydia Corran at Ride Connection at 503.528.1761 or lcarran@rideconnection.org or Marcia Phillips at the City of Forest Grove at 503.992.3229 or mphillips@forestgrove-or.gov.

Completed surveys can be mailed to:
City of Forest Grove
Community Development Department
PO Box 326
Forest Grove, OR 97116

Or dropped off:
Forest Grove City Hall
1924 Council Street

Look for more information about this new service in upcoming utility bill inserts.
