

Name a Brick Art in the Park 2016

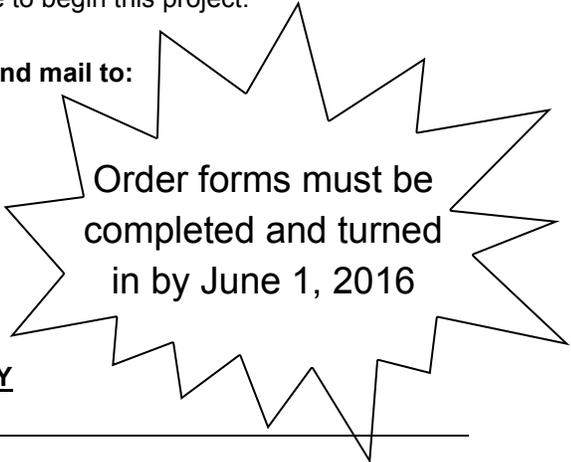

Here is your chance to be part of the community and enhance the physical beauty and economic viability of our town. Make a difference. **"Name a Brick"** is the opportunity for community members to purchase a brick, have it engraved with a name of your choice; and placed in a City Park. You'll become part of a unique Forest Grove Landmark for years to come - not bad for \$50.00!

The Public Arts Commission has a long term goal of creating an extensive outdoor gallery in the city of Forest Grove. We are starting the fundraising efforts to commission an outdoor sculpture to begin this project.

Please complete the form below and place in stamped envelope and mail to:
