

A collage titled "GROVE" in large, outlined, serif capital letters. The background is a textured, aged, light brown paper. On the left, a vertical strip of red brick wall is visible. A wooden ruler with black markings and numbers is placed diagonally across the center. Below the ruler, a portion of a street map is visible, showing streets like "NORTH FIFTH AVENUE", "NORTH FOURTH AVENUE", "NORTH THIRD AVENUE", and "NORTH SECOND AVENUE". The word "CARTS" is written in a stylized font on the map. The overall composition is layered and textured, with various elements overlapping.
