

CURRENT FACILITY REOPENING GUIDELINES

*Paid reservation required. Wednesday afternoons from 1-4 p.m. the front desk will be available to reserve two spots for the following week. You can call each morning to see if there are available spots for that day only and will be able to reserve that spot with payment. No walk in's allowed. You will be assigned a specific lane at time of reservation. We will not be selling memberships at this time. Credit/debit payment required for all reservations. Ten Time Punch passes can be purchased, however, we will retain them at the front desk so that we can punch them for you at the time of phone reservation.

*No locker room/shower use available at this time. We will have both family changing rooms available for toilet use. Please plan to arrive in your swimsuit and exit our facility in your swimsuit. A chair will be available to set your belongings on at your reserved lane space.

*Masks/face shields required from the time that you enter our facility until you enter the water and then will be required from the time you exit the water until you leave our facility.

*Only one swimmer per lap lane. Kickboards/barbells will be available for your use.

*Entry to our facility will be at time of reservation only (no early entry allowed) and under the covered outside area to meet social distancing requirements

*Hot tub and Sauna will **NOT** be available at this time.

*Drinking fountains not in use at this time. Water bottles are allowed and we will have the water bottle filling station available on the main pool deck.

*You are required to be 12 yrs. old to attend a public or fitness swim without an adult in the water. 11 yrs. and younger will require an adult (16 yrs. old and up) to be in the water with them at all times

*Photo I.D. with current address required for all transactions in person as proof of in city/out of city rates

*All rules are subject to change as Covid restrictions/guidelines are updated.
