**5. PRESENTATIONS:**

**5. A. Metro Quarterly Exchange Update**

Kathryn Harrington, Metro Councilor District 4, presented a PowerPoint presentation highlighting District 4 Quarterly Exchange Report. Harrington reported on Metro's Nature in Neighborhoods grants; Chehalem Ridge Nature Park; Transportation Funding; Regional Transportation Plan; TOD Investments; Regional Snapshot; Equitable Housing; Equity in greater Portland; Urban Growth Management; and Fun at Metro Venues. Harrington distributed various program-related handouts, which were referenced in the PowerPoint presentation. In conclusion of the above-noted presentation, Harrington addressed various Council inquiries pertaining to TOD investments, Indigenous Peoples and equitable housing and development.

**5. B. Forest Grove Senior and Community Center Community Development Block Grant (CDBG) Project Update**

King and Downey presented a PowerPoint presentation overview pertaining to the status of the Washington County Community Development Block Grant (CDBG) of \$325,000 that was awarded to the City for the Forest Grove Senior and Community Center kitchen improvement project (expansion and upgrade and new kitchen

equipment and appliances). King reported the City received approval to release a Request for Proposal (RFP) for design; however, no proposals were received due to shortage of architects for smaller projects and project delays occurring regionally. King advised as a result, Washington County is allowing municipalities to solicit architects directly without having to issue a new RFP and is willing to extend timelines if necessary to complete projects. King gave an overview of the Senior Center's kitchen improvement project timeline, noting staff expects awarding a bid and executing a construction contract in March-May, 2017. In conclusion of the above-noted presentation, King and Downey addressed various Council concerns pertaining to the Senior Center's operational impact and canceling events and programs, such as Meals on Wheels, to which Downey and King advised staff will move as quickly as possible to complete the bid process and project timelines. King noted interested architects will be asked to apply and be interviewed by a selection panel consisting of city staff and senior center officials.

**5. C. Recreational Marijuana Sales Tax Collection**

Downey and Driscoll presented a PowerPoint presentation overview pertaining to the passage of Ballot Measure 34-249 (Ordinance No. 2016-15), approved by voters (7351, 74.90% to 2464, 25.10%) at the General Election held on November 8, 2016, noting the ordinance authorizes the City to impose a three percent (3%) local tax on sale of recreational marijuana items by marijuana retailers. Downey advised the ordinance approved by the voters also directs the City to take necessary actions to implement the local tax, noting the State of Oregon Department of Revenue (DOR) has an existing program in place for collecting the State's 17% tax. Downey advised most cities are looking to enter into an intergovernmental agreement (IGA) with DOR to collect its local marijuana tax, which is the most efficient and effective provision of services. Downey referenced the "model" Marijuana Tax Collection Agreement, Attachment A, noting the agreement provides a significant level of administrative-related services by DOR, including, but not limited to, collecting the local tax and assessing penalties and interest and taking actions necessary to collect unpaid taxes and providing quarterly and annual reports. Downey advised the agreement provides for four percent (4%) of local tax revenues be withheld by DOR for administrative-related services, estimated \$1,460 to \$1,620 based on projected revenue of \$36,500 to \$40,500 annually. Downey added once a year, DOR will figure their actual costs and fees described in the agreement to calculate each local government's share of costs. Downey advised staff is recommending Council consider authorizing the City to enter into an IGA with DOR at the Council meeting of December 12, 2016, noting the agreement must be submitted by January 15, 2017, in order for DOR to collect the first quarter of 2017. In addition, Driscoll advised the City Attorney supports the IGA, noting DOR can supervise, administer and collect the local tax at lesser costs to the City, as well as ensuring that confidential information is protected. In conclusion of the above-noted presentation, Downey and Driscoll addressed various Council concerns and inquiries pertaining to liabilities for unlawful disclosure of confidential information;

terms of the agreement and 90 days written termination notice; and amendments to the “boilerplate” agreement, noting with only two licensed retailers in Forest Grove, the “model” Marijuana Tax Collection Agreement provided by the DOR most likely cannot be amended for a specific entity. Driscoll advised this is an optional agreement that cities may choose to enter into with DOR if electing to have the DOR collect and enforce their local marijuana tax, noting the agreement clearly states DOR will only recover costs to administer the local marijuana tax. In addition, Council President Johnston pointed out the option of DOR administering the local tax was sought by the League of Oregon Cities during 2016 session for efficiency, and to address concerns relating to public safety.

**6. RESOLUTION NO. 2016-66 AUTHORIZING CITY MANAGER TO EXECUTE A LABOR AGREEMENT BETWEEN CITY OF FOREST GROVE AND INTERNATIONAL BROTHERHOOD OF ELECTRICAL WORKERS (IBEW), LOCAL UNION NO. 125, EFFECTIVE JULY 1, 2016 AND EXPIRING JUNE 30, 2020**

Camilli reported staff met with IBEW eight times during the past five months and negotiated the labor agreement, noting language modifications to the agreement include the following:

2. Effective January 1, 2018, the Union’s medical insurance plan options will change from the Regence BC Plan V-E to the Regence BC Copay Plan B; and from Kaiser Copay Plan A to Kaiser Copay Plan B. 3. The parties agreed upon language addressing the bargaining process that would take place if the ACA Cadillac Plan Tax threshold is exceeded effective January 1, 2020.

VEBA: Effective January 1, 2017, the City will equalize City contributions to the employees' VEBA accounts (there was previously a difference based on the medical plan selected); Effective January 1, 2018, when medical plans change, the City's contribution to employees' VEBA accounts will increase by health insurance enrollment (one party, two party, three more) by \$40.00, \$80.00 and \$120.00 per year respectively.

Term: Extends the term of the labor agreement for four years, effective July 1, 2016, to June 30, 2020.

In addition, Camilli reported the costs to implement the agreement are within the parameters set by Council and most of the funds have been identified in the budget for Fiscal Year 2016-17. If budget adjustment is needed, an adjustment will be made at the end of Fiscal Year 2016-17. Future increases are within the projected cost increases that were used to project future rate increases as part of the rate study that was completed in December 2014. In conclusion of the above-noted staff report, Camilli advised staff is recommending Council adopt the proposed resolution approving the IBEW labor agreement, attached as Exhibit A.
