Committee for Community Involvement (1st Tuesday, 5:30pm)

What specific topics interest you that relate to the board?

I'm interested to see how the city can continue to create ways for Forest Grove residents/citizens to become more engaged in community life. And I'd like to see if the Committee on Community Involvement can work with other city leaders to increase the variety of voices that share their ideas with elected officials in how to become the best community we can be.

What contributions do you hope to bring to the board?

I have served in a variety of capacities related to community life and public involvement, and I hope that these experiences can be helpful to the work of the Committee on Community Involvement and the city. In the past, I have been a community organizer, served as a pastor in four different communities, served as the Community Resource Manager at Community Action years ago, was a Vision Council Manager for United Way of the Columbia-Willamette in the early 2000's, and have worked in a variety of cross-cultural, cross-racial settings over the years.

List your educational experience:

I grew up in Washington County, attending Beaverton public schools, received a B.A. from Claremont McKenna College in Political Science, and have Master and Doctor of Divinity degrees from San Francisco Theological Seminary and Azusa Pacific University.

List any community involvement, appointed offices, elected offices and/or affiliations:

I have not served in any elected offices previously. While I worked at Community Action, I served on a number of Washington County-related groups involved with affordable housing, information and referral resourcing, homelessness, etc. In my work with United Way, I oversaw funding for some seventy non-profit organization projects in the Portland-Vancouver Metropolitan Area. In the United Methodist Church, I have been involved in a number of community involvement efforts in my role as a District Superintendent in the Columbia District (from 2010-15) and as a Mission and Ministry Coordinator (from 2015-19).

If not appointed at this time, may we keep your application on file?

Fair

What ideas do you have for improving "Fair" or "Poor" performance?

I believe the city is operating at "fair" to "good." I believe we need to capitalize more on our amazing PUD, support the small businesses through networking and incentives, bring in more big non-retail businesses, streamline the building permit process, improve our school ratings, and market the strengths that Forest Grove has to offer on a more diverse platform. I think the main struggle with Forest Grove currently is that it has an identity crisis. Are we a college town, a senior services town, a town on the verge of progression and modernism, or something else? We need to focus our efforts on supporting the current citizen demographics it serves now and the next 50 years.

Thank you for your consideration.
