Celebrate Our Freedom to Read!

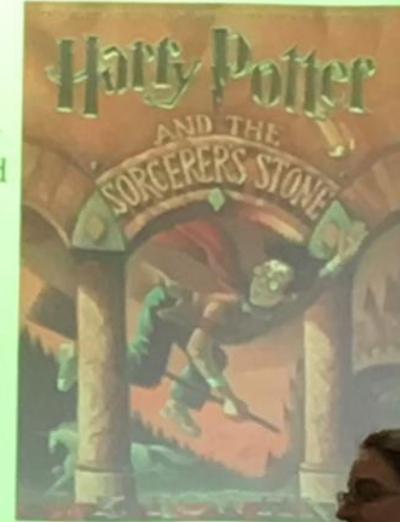

Four books were on trial.
A citizen jury decided
their fate.

Harry Potter Series by J.K. Rowling

Each of the books in the series chronicles one year in Harry's adventures at Hogwarts and his battle against the evil Lord Voldemort. Harry makes two amazing best friends named Ron and Hermione. He studies many different kinds of magical skills that every witch or wizard needs to know. He encounters incredible creatures and discovers an entire Wizarding universe hidden just out of sight, as prone to the darker aspects of human experience as our own.

About
Reading!

We are so lucky in Forest Grove, to have such a robust library, where citizens of all ages can find information and entertainment.

Many thanks to Colleen Winters and the dedicated staff who work hard to welcome us to a fun, inspiring and thought provoking library.

Come visit!
