BACKGROUND:

The URA Board of Directors passed the URA Plan (Plan) in 2014. The primary purpose of the Plan is to eliminate blight and blighting influences, improve the utilization of land within the Urban Renewal Area, encourage private investment and job creation, and increase the taxable value of property within the City benefitting all overlapping taxing districts. The Plan is consistent with the Comprehensive Plan and zoning regulations adopted by the Forest Grove City Council.

The URA Plan established five Goals and 13 Objectives. These Goals and Objectives have remained unchanged since 2014 and can only be changed by amending the URA Plan. In 2019, the URA Board passed a Work Plan that added Actions to the Goals and Objectives. The attached resolution addresses the 2020 Work Plan.

PURPOSE:

In 2019, the URA accomplished several projects, including establishment of the Urban Renewal Advisory Committee (URAC), amendment of the URA Plan to include elements of the Town Center Plan, an RFP to develop a Festival Street Concept, selection of banner poles under the Installation Art Program, four grants under the Storefront Improvement Program, and issued a Request for Proposals (RFP) for Site B development.

In addition, in early 2020, the COVID-19 pandemic brought a high level of uncertainty to the business climate in Forest Grove. The Governor’s Executive Orders forced the closure or curtailment of operations for nearly all of the businesses within the URA boundary. In response, the URA implemented the Small Business Assistance Program. In an effort to fund the program, a hold was placed on future Storefront Façade and Installation Art Program applications, however, all current applications are being fully funded. This in turn shaped the 2020 URA Work Plan. The URA Board met in a Work Session on April 27, 2020, to discuss the proposed 2020 Work Plan. No significant changes were proposed or made. Attached is the proposed 2020 Work Plan.

STAFF RECOMMENDATION: Staff recommends the Board approve the 2020 Work Plan.
