Hi Dan,

We have reviewed the traffic analysis and TPR findings for the Westside Planning study and would like the opportunity to meet with you to discuss our comments. We are attending a pre-application conference with James Reitz for the Wauna Credit Union on Tuesday February 14th at 11am. Would you be available to meet before or afterwards for a half hour (meeting afterwards would give us a little more time)? It might help to have the traffic engineer there as well.

Thanks,
